Once through UK Passport Control there are no further Visa requirements for your onward journey to the Isle of Man although passport documentation will be necessary.

As previously advised by the CYG2011 OC your onward journey to the island can be made either by air or sea and we would remind CGA's if travelling to the island by ferry (via Liverpool) that a special rate has been agreed between the OC and the Isle of Man Steam Packet Company of £39 return. This rate can be booked through our preferred travel agent, Regency Travel, email contact [richard@regencytravelholidays.com](mailto:richard@regencytravelholidays.com)
